- 8 – 8.30 a.m. Registration
- 8.30 – 8.40 a.m. **Welcome remarks**
- Javier Abugattás, Chair of the Board of Directors of the Centre for Strategic Planning (CEPLAN) of Peru
- 8.40 – 9.30 a.m. **Sustainable territories and cities: reflections on the main messages deriving from new global agendas and implications for territorial planning**
- Cielo Morales, Chief of the Latin American and Caribbean Institute for Economic and Social Planning (ILPES)
 - Andrés Mideros, National Secretary of Planning and Development of Ecuador
 - Fernando Neyra, Researcher at the Consortium for Economic and Social Research of Peru
- Moderator: Alicia Williner, Research assistant, ILPES
- Reflections on the main messages deriving from the 2030 Agenda for Sustainable Development, the United Nations Conference on Housing and Sustainable Urban Development (Habitat III) and the Paris Agreement, among other recent global agendas relating to urban and rural development. Analysis of some of the implications for the design, implementation and monitoring of plans and strategies in the region.
- 9.30 – 10.30 a.m. **Sustainable cities: the experience of the Republic of Korea**
- Keynote address by Inhee Kim, Senior Research Fellow, Seoul Institute of the Republic of Korea
- Remarks:
- Erwin Contreras, Minister of Economic Development, Petroleum, Investment, Trade and Commerce of Belize

- Michelle Rodríguez Serra, Dean of the Faculty of Engineering of the University of the Pacific of Peru
- Daniel Rondinel Oviedo, Researcher at the University of Lima

Moderator: Alejandra Naser, Senior Economic Affairs Assistant, ILPES

Presentation of the experience of the Republic of Korea in urban development strategies, particularly the green cities strategy and its contribution to the building of sustainable cities. Analysis of the implications for resilient infrastructure and the role of new technologies in urban plans and policies.

10.30 – 10.45 a.m. Coffee break

10:45 – 11.45 a.m. **Territory and national development strategies**

Panellist: Javier Abugattás, Chair of the Board of Directors of CEPLAN of Peru

Remarks:

- Alexandre Ywata, Director of Studies and Regional, Urban and Environmental Policies of the Institute of Applied Economic Research (IPEA) of Brazil
- Gustavo Riofrío, Consortium for Economic and Social Research of Peru
- Luis Mauricio Cuervo, Economic Affairs Officer, ILPES

Moderator: Paulina Pizarro, Research Assistant, ILPES

Analysis of the need to incorporate the territorial dimension of development into strategic agendas and national plans focusing on four factors: time, sectors, levels of government and stakeholders (the State, companies, society).

11.45 a.m. – 1 p.m. **Climate change and territorial resilience**

Panellist: Olga Sánchez Oviedo, Minister of National Planning and Economic Policy of Costa Rica

Remarks:

- Yván Rodríguez, Vice-Minister for Planning, Ministry of Economic Affairs, Planning and Development of the Dominican Republic
- Augusto Castro Carpio, Academic at the Catholic University of Peru
- Alejandro Llanos Cuentas, Cayetano Heredia University, Peru

Moderator: Carlos Sandoval, Research Assistant, ILPES

Reflections on the challenges posed by climate change and resilient infrastructure needs, and the implications for territorial planning. Analysis of cases in Latin America and the Caribbean.

1 – 2 p.m. Lunch

2 – 3 p.m.

Sustainable development and cities in Latin America: research trends and agendas

Panellist: Liliana Miranda, Consortium for Economic and Social Research of Peru

Remarks:

- Javier Abugattás, Chair of the Board of Directors of CEPLAN of Peru
- Iris Salinas, Analyst, Social Observatory Division of the Ministry of Social Development of Chile
- Luis Riffo, Research Assistant, ILPES

Moderator: Luis Mauricio Cuervo, Economic Affairs Officer, ILPES

Discussion on new and existing themes—for example poverty and inequality, urban mobility, environmental impacts, basic service coverage, and security—linked to contemporary development and Latin American urban dynamics, characterized by high spatial concentration and wide social, economic and environmental gaps.

3 – 3.30 p.m.

Closing session. Final messages of the day: sustainable cities and urban compacts

- Inhee Kim, Senior Research Fellow, Seoul Institute of the Republic of Korea
- Javier Abugattás, Chair of the Board of Directors of CEPLAN of Peru

Moderator: Cielo Morales, Chief of the Latin American and Caribbean Institute for Economic and Social Planning (ILPES)
